¹ Rizoma Indicator Light adapter Kit for OEM License plate support (See page 247)

² Except TRIUMPH® BONNEVILLE, THRUXTON, SCRAMBLER

Electronic Signal Flasher kit

Code

EE031H

Our technicians recommend the replacement of the original (OEM) relay with our EE031 in correspondence of the mounting of Rizoma indicators when four indicators are replaced.

This will maintain the correct flash rate as the original system albeit with different Watt. Use of the EE031 eliminates the need to use individual resistors.

Marker light spacer

⁴ Oil Filler Cap with Dipstick

⁵ Except models MV AGUSTA® BRUTALE 675 / 800 / F3 675

⁶ Except models YAMAHA® MT-03 / XJR

It's a good practice to fasten the engine oil filler cap with a safety wire.
 RIZOMA engine oil filler caps come with a removable bracket for the safety wire.

MACHINED FROM BILLET ALUMINUM | ANTI-TAMPERING KEY LOCK SYSTEM
FAST AND EASY MOUNTING | BI-COLOR FINISH

KEY LOCK SYSTEM

The Key System effectively tamperproofs the cap while maintaining ease of installation and use. Even the key makes a style statement and can function as a key fob.

¹ Tail unit included.

² Rear Light Included.

³ OEM indicator light brackets included.

⁴ PT660B: not compatible with OEM fender.

⁵ The Rizoma License Plate Support PT317B contains only the USA plate holder.

USA VERSION
Each kit includes a USA size plate holder.

Universal license plate support

Type	■
Universal	PT061B

The universal license plate holder offers the outstanding performance of all RIZOMA products. With its adjustable mounting plates, it is easy to mount to a wide range of makes and models.

With a range of angle and extension adjustment, it is equipped with a reflector and the latest SMD LED lights, for full compliance with European legal requirements.

Our license plate support kit includes:

- License plate support light
- Reflector
- 157x157 mm support
- 146x69.5 mm support
- Indicator light supports

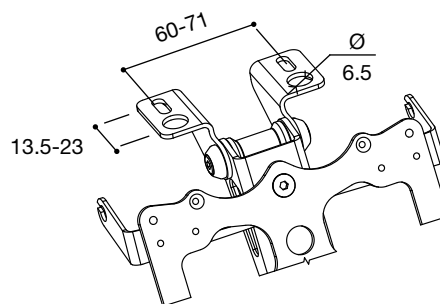

Universal license plate support "BASIC"

Type	■
Universal "BASIC"	PT062B

This cutdown version is not equipped with a reflector or light, for situations in which they are not legally required or the bike is already fitted with them.

Our license plate support kit includes: 146x69.5 mm support, Indicator light supports

License plate support

Model	Year	■
R nineT	14 -	PT709B

Our kit includes: license plate support, license plate support light, indicator light supports, undertail cover ZBW048, reflector kit, USA size plate holder.

Attention: to install the PT706/PT707/PT709 Rizoma Kit, please remove the OEM undertail cover, rear light and indicators. In accordance with the highway code, Rizoma recommends use of the "CLUB S" FR155 marker lights (on the license support plate or mounting them on the Rizoma undertail cover ZBW048), which integrate functions of the stop light, rear light and homologated marker lights.

USA VERSION
INCLUDED

License plate support kit with tail light

Model	Year	■
R nineT	14 -	PT711B

Our kit includes: license plate support, license plate support light, indicator light supports, undertail cover ZBW048, reflector kit, USA size plate holder.

Attention: To install the PT711 Rizoma Kit, please remove the OEM undertail cover, rear light and indicators. In accordance with the highway code, Rizoma supplies the license plate support integrated with the homologated Rizoma tail light. The kit includes adaptors for the repositioning of the OEM indicators, and also adaptors for installation of the Rizoma marker lights.

License plate support "SIDE ARM"

Model	Year	
R nineT	14 -	PT706B

Our kit includes: license plate support, license plate support light, indicator light supports, undertail cover ZBW048, reflector kit, USA size plate holder.

Attention: to install the PT706/PT707/PT709 Rizoma Kit, please remove the OEM undertail cover, rear light and indicators. In accordance with the highway code, Rizoma recommends use of the "CLUB S" FR155 marker lights (on the license support plate or mounting them on the Rizoma undertail cover ZBW048), which integrate functions of the stop light, rear light and homologated marker lights.

License plate support "OUTSIDE"

Model	Year	
R nineT	14 -	PT707B

Our kit includes: license plate support, license plate support light, indicator light supports, undertail cover ZBW048, reflector kit, USA size plate holder.

Attention: to install the PT706/PT707/PT709 Rizoma Kit, please remove the OEM undertail cover, rear light and indicators. In accordance with the highway code, Rizoma recommends use of the "CLUB S" FR155 marker lights (on the license support plate or mounting them on the Rizoma undertail cover ZBW048), which integrate functions of the stop light, rear light and homologated marker lights. The PT707 is not homologated for on road use where homologation is required.

Rear fender for license plate support "SIDE ARM"

R 1200 GS ADVENTURE	14 -	AZ451T

The Rizoma Riser Kit for BMW R1200 GS is made from the aluminum billet and characterized by a particular titan color. The product has been created to raise up (+45 mm) and drawn back (-22 mm) the handlebar, allowing the rider to maintain a more natural posture, increasing driving comfort and pleasure.

Certification & Homologation

The certification and homologation granted to a large number of our accessories constitute an essential phase of the production process: a certificate of conformity is a statement that assures the high level functionality and performance of a product. An additional aesthetic type of approval certifies the unique and original design of our products and distinguishes even more our brand-name.

Legal notes

The trademarks APRILIA®, BUELL®, BMW®, DUCATI®, HARLEY-DAVIDSON®, HONDA®, KAWASAKI®, KTM®, MOTO MORINI®, MV AGUSTA®, SUZUKI®, TRIUMPH®, YAMAHA® belongs to its proprietor. Rizoma and APRILIA®, BUELL®, BMW®, DUCATI®, HARLEY-DAVIDSON®, HONDA®, KAWASAKI®, KTM®, MOTO MORINI®, MV AGUSTA®, SUZUKI®, TRIUMPH®, YAMAHA® are distinguished entities between which there is not any kind of connection.

The products we produce are guaranteed for quality, strength and durability. Notwithstanding that, not all of our products are approved for a road traffic use in those Countries where, instead, it is required the approval and, therefore, Rizoma cannot be deemed liable for the damages suffered by the user as a result of a use that does not comply with the safety regulations of the Countries in which the products are sold.

RIZOMA® S.r.l. declines to accept any liability that derives from a non-compliant use of its products. Rizoma® S.r.l. exhort the dealers to inform the buyers of such disclaimer. Rizoma and its collaborators cannot be deemed liable under any circumstances for any negligence or direct, indirect, incidental or consequent damage connected to the use of the products of this catalogue, also included, without any limitation, damages as loss of profits or turnover, business or professional interruption etc. This clause is not intended to avoid the requirements prescribed by law, nor exclude the liability for those cases in which it cannot be excluded pursuant to the applicable regulations.

The contents of the catalogue, by way of examples and not exhaustive, works, images, photographs, dialogs, texts and any kind of any material in any format, included, by way of examples and not exhaustive, the graphic, the colors, the schemes, the tools, the characters, the design, the diagrams, the layouts, the methods, the processes, (individually and / or collectively, defined as "Content") and the related distinctive feature and / or logos are the exclusive property of Rizoma, except what is identified as belonging to third parties / producers, or anyhow in its exclusive availability, and in any case cannot be in any manner and/or form used without the prior written consent of Rizoma. Unless otherwise expressly specified on the catalogue, the Content can be viewed without the right and / or possibility of temporary or permanent reproduction, distribution, redistribution, disclosure or other use, in any form or manner that does not respect Rizoma's copyrights with regard to industrial and intellectual property.

Any reproduction, duplication, distribution of the contents of this catalogue and any other use not expressly authorized is a criminal and civil offense, punishable by law.

All products with trademarks, names or acronyms of identification of motorcycles are intended exclusively as a reference for the use of our accessories.

The delivery and / or possession of this catalogue does not give any right to use any of the catalogue's content. The sales price indicated in euros shall be calculated as "Italian Ex Works" and they are inclusive of the VAT (Value Added Tax). The prices of this catalogue are not binding.

Warning: Rizoma products are developed and tested on motorcycles. Therefore, the company cannot be deemed liable in case of problems related to the installation of our products on not OEM parts.

The user acknowledges and agrees: (i) that Rizoma has the right to change the terms and conditions of this legal notes at any time by communicating the occurred changes to users through a general notice published on the Website or through a link to that notice and (ii) that from the notice of any change, the changed legal notes will be the new terms and conditions that will regulate the use of the material in the catalogue (this legal notes, even with further amendments, are defined "Legal Notes".)

This legal notes are regulated by Italian Law.
